GENERAL CHARACTERISTICS

FEATURES SOCAPEX 19 PIN

- Prevents misalignment of male and female circuit conductors and unmateable or mismatched connections
- Helps prevent broken conductors and loose or damaged ground rings
- Multi-cables carry 6-circuits of lighting power inside a single jacket, avoiding 6 individual runs of cable
- Machined aluminium housing with a hard wearing black finish provides enhanced durability
- Silver plated brass contacts provide high conductivity
- Available as standard for 1.5 mm and 2.5 mm cable to meet specific requirements
- All black construction blends into scenery and is ideal for stage or studio lighting applications
